Mission Statement

Purpose: Our purpose is to create a Christian Culture of Prosperity and Success in every community in the United States. We are uniquely a House of Prayer; where prayers are made often to the Lord and we receive the answer from God. Our Christian Love and Duty is to promote the Holy Spirit's work in the earth by preaching the Gospel of Jesus Christ and the rule and reign of His Kingdom. We nurture, cherish, nourish and education the human soul by teachings of the Word of Faith and encourages it by the uplifting and inspiring Prophetic Word.

Expectations: Our outreach program entitles, "Expectations" is where we help Parents and Children through counseling to manage high stress situations, anxieties and frustrations; especially within the inner cities and amongst middle class families. Thereby, helping them to meet and fulfill their expectations and reach for their goals, prosperity and success in a fruitful manner.

Food Bank: Our community food bank provides food, clothing, shelter and aid to the unfortunate, disabled and the poor.

Funds: Our Foreign mission is the same as our domestic services, we raise funds and promote through proclamation and preaching the same ideals to a lost and dying world by the help of Almighty God.

Church Information Brochure

East Orange, New Jersey

In the beginning God said, "Let Us make man in our own image, according to our likewise; let them have dominion over the fish of the sea, over the birds of the air, and over the cattle, over all the earth and over every creeping thing that creeps on the earth". So God created man in his own image, in the image of God created he him; male and

female created he them. And the LORD God formed man of the dust of the ground, and breathed into his nostrils the breath of life; and man became a living soul. So God made, created and formed man and he became a living being. It him four process for his forward looking results and it took a process of time to see the end result.

We are preparing this assignment informational brochure for the church in East Orange. In order to achieve that goal, I have to again follow all three manifested processes of God's manifestation to regenerate man, that is, the work and manifestation of God the Father, the death, resurrection and ascension of his Son Jesus Christ and the outpouring of the Holy Spirit, the promise of the Father upon mankind to make, create and formed the new man, who became the Church. This brochure will follow the same path to demonstrate the birth, development and growth of the Church and to show how to prepare a brochure consistent with that direct energetic move of the Holy Ghost.

Welcome

I am so glad that you have found this place and it is my hope and prayer that you find encouragement. You'll be able to keep up with us, get the latest news and events and happenings in our Church. You have become an important part of my ministry and I want you to know the purpose of this message board is to give praise to God. I hope you see that reflected throughout these pages and that you visit here often.

About Us

The Great House Church, Inc. is a Florida-based, apostolic and prophetic church with affiliation throughout Stone Mountain, Gwinnett, East Orange, Riverdale, Decatur, Newnan, Fayetteville and the uttermost parts of the earth (the U.S., Canada, Africa and the Caribbean include). The Great House Church, Inc. was founded and instituted by Prophet Michael Lattiboudeaire in A.D. 2008.

Our Philosophy

“But in a great house there are not only vessels of gold and silver, but also of wood and clay, some for honor and some for dishonor. Therefore if anyone cleanses himself from the latter, he will be a vessel for honor, sanctified and useful for the Master, prepared for every good work.”

II Timothy 2:20 – 2:21

Our Vision

Our vision is to train and disciple men and women into servants and ministers of the Lord that they maybe a witness both of the things which they have seen through the Lord's resurrection, and of those things in the which He will appear unto them for; delivering them from religious people, from the trap of the unsaved people and from the spirit of the world, unto whom they are sent and will encounter opposition as they are sent into the Harvest of the Holy Ghost. Our vision is to open all men's eyes, and to turn them from darkness to light, and from the power of Satan unto God, that they may receive forgiveness of sins, and inheritance among them which are sanctified by faith that is in me. We will

introduce the reader to all aspects of the work of our Church in East Orange (Acts 1-5).

Mission Statement

To help the believers wait for the promise of the Father and they will receive power, after that the Holy Ghost is come upon them. So that they will be witnesses unto Lord both in Stone Mountain, Gwinnett, East Orange, Riverdale, Decatur, Newnan, Fayetteville, and unto the uttermost part of the earth.

To help and aid us to go into the every man's world and preach the gospel to every living being and to make disciples of all the nations, that he who believes and is baptized would be saved; and to separate them from those who does not believe, who is already condemned. To prepare the believers receive these signs will follow them who believe: In the Lord's name they will cast out demons; they will speak with new tongues; they will take up serpents; and if they drink anything deadly, it will by no means hurt them; they will lay hands on the sick, and they will recover; and to ensure that the believers are baptizing the new believers in the name of the Father and of the Son and of the Holy Spirit, and to teach them to observe all things that the Lord have commanded us; and lo, He will be with us always, to the end of the age." Amen.

Purpose

The purposes of The Great House Church, Inc. are to provide apostolic and prophetic leadership through divine counsel and wisdom in the 21st century. To serve Our God faithfully and loyally while serving our generation well. To provide excellence of service to the Church and the world by

equipping and perfecting the people of God for service in the Church and the world. To serve as one of the five-fold ministries given by Christ to the Church government for the development, edification and perfecting-maturing of people in the Church to do the work of service. And to actively manage our tools, resources and utilities at an optimum, to maximize the return of those tools and capitalize on use of those resources for the benefit of the ministry. To provide biblical training and education to our community while qualifying them for further and future academic learning through our devote institutes to nurture and enhance their gifts and talents through our Bible School and College. We will actively make uses of seminars and conventions to reach those goals. To provide the keys to open the door to reformation of our society and making available to society the divine wisdom and intelligence needed to turn a generation to God. To provide a broad base understanding in the culmination of the ages by providing the people and their leaders with the tools to interpreting dreams and visions and to hear God's voice amongst us.

The Great House Church Inc. inaugurated in the Stone Mountain, Georgia, A.D. 2008, after God raised his Son Jesus Christ from the dead. And with great power gave us, the apostles' witness of the resurrection of the Lord Jesus: and great grace was upon us all. Our The Great House Church provides the following services to its members, students, sponsors and the general public:

Objectives

Our main objectives as the our church is, we will seek to bring to bear the full brunt of the kingdom of God, to make all men see that it is through much persecution and tribulation that we enter the kingdom of God, which is an ever present reality. As it is written, “Your kingdom come; your will be done in earth, as it is in heaven”. It is the evidence of a freer, fairer, well-liberated and better living, a life lived in the kingdom and we will refrain from delaying our people from pressing into it. We understand that the mission is costly and pricey but we are releasing and sending men and women to proclaim the repentance and the kingdom of God’s presence. As the Lord sent us so send we them saying, “Go! Set my people free, heal their sick and proclaim my kingdom”. We understand that you must not be afraid, “we are sending you as lambs, (which mean you, as the kingdom’s ambassadors are bringing the king’s message with the original intent) amongst wolves (one who frighten the flock) and we know what you will experience. Off course you will succeed and though you are as children, we know the outcome because something more sinister was

at work and Greater is he that is in you than he that is in the world.

With this kind of authority, all the believers must understand why they must pray and pray earnestly for our leaders, authorities and all who are in power, that we may lead a peaceable and quiet life. The trilogy of this dramatic living is the battle between the kingdom of God and the lords of mammon. It is clearly kingdom against kingdom. It is here that the people of God must pray, that God would hold our hand and heart, that we may use the anointing of Christ to aid in the freedom of the people to solidify themselves against the soul traders. We must work and administration to help to advance the kingdom of God in the land. We must seek God and He will in peace guide us and keep us from the toxins of the world. He will guide us to know how to deal with what is to come in the future.

Ministries to Human Need

Our Ministries to human need shall consist of the following; we will healed the sick, including healing of fever, leprosy, deafness, inability to speak, blindness, paralysis, congenital illnesses, and others. We will work with God who cares for his creation; we will become the concrete embodiment of that care. Everywhere we go, disease must

retreats. We will minister to every kind of human need. We will encourage the weak, feed the hungry, calm raging storms, bless normal human life with the Lord's presence (weddings, worship, travel, etc.), raise the dead, and bring peace where trouble existed. Where ever we go, human need retreats. We will graciously allow for a spectrum of discipleship. We understand that people were disciples who will stay at home; some will leave everything in order to be with us; some followed us for a while to learn and then returned to their usual occupation; some will stay at home for a while and then joined us later--it really did not matter. God wants us to be ourselves. He sanctifies our lives just as they are, as long as we give them to him. He fills our lives with meaning and purpose. Where ever we go, meaninglessness and despair retreat.

The Great House Church, Inc. Group Ministries will continue to expand in outreach as we work toward the development and implementation of additional Ministries which will include:

The Hyacinthe Prophetic Foundation

What's in the name?

Hyacinthe: A Blue Gemstone

(I) Definition, Exodus 28:19, Rev. 21:20

The word "Hyacinthe" adopted here, and consecrated as the naming and title of a particular ministry is more commonly known as "the jacinth" in biblical context and is chosen to perpetuate and reflect a distinct objective of the kingdom of the Kingdom of God. The term in expression speaks of two things: The setting of stones, and in reflection the setting of gifts and talents from God in their place within the body and government of Christ and the preparation of the Church for Judgment that was borne daily upon the breast of the High Priest of the Nation; of which Christ is our High Priest after the Order of Melchisedec. The same term jacinth is the eleventh foundation of the foundation of the wall of the city of our God, revealed in Revelation; of which we are the Living City indwelt by Our God. Essentially, it all speaks on this wise, if there is to be enduring Foundations of the Nations, there must be a continuous bearing up of the Nation, on the hearts and mind of men and women of God. Finally, the ordered foundation is the place from righteous judgment and justice flows from and prevails in the land.

(ii) Ordering (1 Timothy 2:1-6)

The main objective of this ministry is to aid in "Setting Divine Order in Order" within the church. That is, making the way straight by turning hearts to hearts and making the rod to bud. Achieving this objective is our daily pursuit by means of continuous ministering to the lord, engaging in continuous intercession and creating the atmosphere for the Holy One of Israel and The Spirit of Judgment. Setting the Spirit of Judgment (discernment) in the midst of the church will be paramount to this part of the mission. (Acts 13:2, Isa 40:3-5, Malachi 4:5-6).

(iii) Application

Having been assured that where there is no prophetic vision, that is, evidence of the redemptive revelation of God and His person at work, the people will readily become defiant (immature), lawless (no restraint) and rebellious. This posture is known as the putting on of filthy rags as a form of righteousness. We have been mandated to foster an atmosphere where vision and purpose is attainable, and can be pursued passionately without compromising the royal virtues. Being assured that this is the depth of the call, the application of the acts of intercession to its highest ideals and its most elastic application will be vital to produce the necessary revelation. Since this revelatory knowledge is key to understanding and possessing the knowledge of God, which is critical to us walking in the Spirit of Judgment. This is the necessary good, "For anything that goes unchecked in the earth is dangerous" and "where no judgment is, there prevails deception, seduction and the depth of wickedness."

Prophetic

In the age when the greatest hunger is a hunger for effective leadership and for the Word of God. In an era when many have been bereft of understanding revealed spiritual authority, when many have designed a way so crooked and corrupt it repulses the hearts from turning to the heart; and when rogues have manipulated and appointed themselves leadership by their own arrogance, and when many are blinded by an elegance to a fading glory. In a period when pseudo and quasis bound by psychic phenomenon wants to rule the airwaves, control the marketplace and rule the lands. It is important to know that God has not left us without a witness; He knows how to deliver the Godly out of temptation, and He has appointed some, the spiritually mature to discern times and seasons. For the Spirit of Christ within them does search what and what manner of time events is appointed by God. These have clockwork built within them and are inspired according to his seasons. So then it is relevant to the foundation that we understand the times and have understanding of the times, so we can aid the nation to know what she ought to do. Timing then is synonymous to vision. (1 Chronicles 2:32). The cooperation being Prophetic in nature and prudent in application is given to inspire, provoke and give vision, interpret visions, to unveil dreams, unlock mysteries, while having a stewardship of the Knowledge of God, it will also give direction, speak as a heavenly spokesman in the earth for the Kingdom of God and bring men to Christ. It is the heavenly billboard to display the key of knowledge allowing many to enter the Kingdom of God.

(I) the Consortium*

As a CONSORTIUM it is an arrangement of elder statement, official Spokesperson/women joined together by graces, spirit, and anointing. As an institution it is a corporate Consortium of graduated mouthpieces having understanding in the protocols of the Kingdom, and their offices and then we will function on a developing and successory (continuous) basis. As a body it is an International Fellowship of Graduated Prophets (Quorum) and it will serve as a haven for Prophets/Prophetesses and other associates. As a society, it is a comforter for those who have been in the crucible of life. As a corporate spokesman it will serve both with a singular and collective voice, and as international Herald having the world as its pulpit. The Consortium will have the power to appoint mentors, apprentices and set them apart for the work wherewith they are called. It will operate on a local/state and national level with developed protocols and in its relationship with the media and general public.

“Believe on the Lord Your God S Shall You Be
Established, Believe His Prophets
So Shall You Prosper.”

Foundation

This cooperation is a series of continuing foundation that works to two-fold, to lay foundation that defines “establishments” and to make the way “Prosperous” having good success. It is therefore a teaching institution of apprenticeships showing forth a lifestyle that is relatively dependent on the “Prophetic Spirit of Christ”. Its primary initiative is to operate in a reconciliatory manor by raising what is understood as “FOUNDATIONS”, to repair and mend “BREACHES” and restore paths to “DWELL”. In its

showing forth the corporation deems necessary as part of its character to prepare and train many on how be fervent in spirit and in business, and the maintenance of continuing foundations prosperity and success in a simulcast settings. In its operation it is a breathing ground for the development of concepts, ideas, dreams, goals, visions, and other inspirations in a similar setting pretext of the Kingdom of God. Ingenuity it is essentially a “Spirited Conglomerate of businesses” within the framework of the Kingdom and to meet its contemporary needs. In administration this entirety will be a magnet for the essential glory of God in a given environment. For they know that their God shall be strong and do great exploits! In Manifestation it is a “Spiritual Umbrella”.

Friends of the Family

“..Do the will of my Father...”

Friends are “Allies in the Struggle”, it implies one who knows what his master does; In association, one who is intimately acquainted and deeply involved with the honest heartfelt impulse of his friend, and by assertion, the most important relationship in the Christian family.

In order for a vision to reach its objectives people must become involved in its daily operation. Hence, friends of the family are these kinds of people. There is a kind of Christian who have died to self, having an understanding that the struggle is relative to every given individual and environment. In the fulfillment of this mandate we will continue to seek these friends as “ALLIES”.

Purpose

Throughout the earthly ministry of Our Lord Jesus Christ, many people aided Him by giving Him gifts worthy of Him; and appreciation for staying faithful as a steward in the mysteries of God, to anointing the calling and the ministry to help Him get to the next stage of the mission. This kind of support is invaluable since it is non-contractual but to the, the givers, they have made giving an essential way of their life. This allowed him the eternal opportunity to lay foundational testimonies that are apostolic messages to our age, of His silent partners of the bountiful generosity, that lives on into modern times. This kind of silent liberty abounded and prevailed much beyond those who religiously tithe without mercy and judgment.

If we are to successfully advance into the 21st century with the interest of Christ deeply rooted into our hearts then we must all continue to sow seed expecting a harvest. As was obvious then, all tangible and intangibles including miraculous supplies were given for personal use but they resulted in giving glory to God, justifying the saying “if all are made partakers of spiritual things, their duty is also to minister unto them in carnal things.”

All gifts then from these ALLIES would be used in a said manner to sustain the work of the ministry and its outreach. Primarily, Friends of the Family seeks ALLIES who would commit themselves to take their part in its operation. It seeks ALLIES who will commit parts of their income, personal/business profit, and otherwise financial intake on a weekly, biweekly, monthly, bi-monthly, quarterly, semi-annually, or annual basis to our care, for the work of the ministry.

Currently, the ministry is seeking 1000 ALLIES (men/women, churches or corporate entity) committing \$100.00 monthly to the ministry, a secondary string of ALLIES of 100 of the same entities to give \$150.00 monthly to the ministry for The Fielding of Generals into the mission field to increase the mission of evangelization, Holiness and commerce in the nations.

This will allow us to choose our Army and its Fighting power, that is, those that are trained and equipped with the choicest weapons, in our case, men and women who have goods. An additional string of 1000 ALLIES who would commit \$300.00 monthly is needed to advance the expeditions beyond training phase into implementation, supply and support.

Having these as an inner core ministry, having been bound and knitted together, by one spirit it can help to emphasize ways of sharing the ministry and its vision, operations, responsibilities, burdens and manifestations. This is the network of friends within the family performing similar or the same task at a specific instant of time, on a simulcast level with the same impact and intent.

This network has two primary focuses, support and implementation. Your financial support and participation are important to us to help get many over into year 2000. Here are the focuses:

Support
Implementation
Distribution
Conference
Communications
Expedition
Money
Ministry
Prayer
Training
Relief

Tithes

We fundamentally believe in the authority and power of the tithe that is giving of the 10th part of all increase in a commandment of obedience to God and His Laws, it being solely dedicated as Holy unto the Lord.

The Tenth part (the Tithe) being Holy dedicated unto the Lord has the following properties:

- It asserts the sovereignty of God
- It ascribe worship unto the Lord
- It tries the heart of the receiver
- It authenticates the authority of the Priesthood
- It is the intrinsically God's tax system within the church, and should not be administrated by civil authorities except in the case of breach created by ecclesiastical authorities. Ex: Nehemiah's administration as Governor of Israel and Lutheran Reformation, as a process to help rebuild the wall.
- It is a typical subject that has the exhaustive and revelatory properties

- It is God's ways and means of funding His projects
- It is God's provisional will for those in authority within the church
- It is His and our census guide and information gathering system (statistics) as Government of God
- It asserts that those that earn personal income by their God given strength should support God's efforts without withholding and by obeying His Government.
- It supports income gathering by this means to be uses solely as "meat in my house".
- It is directly consecrated for the use of the Priesthood
- It has inert powers to bind the hands of illegitimate authority
- It limits the boundaries of authorities
- It legitimizes church government as individual taxation legitimizes Civil government and personal income legitimizes Family Government
- It invokes blessing for obedience and curses of rebellion
- It has tenth power components and operates as an exponential function
- It is found in every religious system within the world and is sanctified in church as a sacrament that points directly to the gift that God gave to use, that is, Christ
- It is as ancient as iniquity
- It is legitimizes and consecrated by our forefathers: Abraham, Isaac and Jacob
- It is authenticated by Jesus Christ
- Its speaks directly of Christ, The root of the First Fruit, Himself
- It asserts financial discipline within the home

- It is covenantal from Generation to Generation, and should be practiced as such celebratory acts worship, as it is lifted to a higher order in the new covenant

Financial Integrity in the 21st

"...Money is a defense...Ecc. 7:12..."

Being convinced by the Holy Scriptures and our conscience we firmly believe the following: Reception of funds and goods for the work of the ministry from God's people is an intercessory act in Christ stead. This is Holy unto the Lord. The continuous reception of funds in this Holy institution is God's plan to create a pure, liberal and cheerful spirit within His people and to stimulate growth and strength within the people of His Kingdom.

In the Light of New Testament we conclude,

"God loves a cheerful Giver".

We understand that the way in which a company/ corporation/ organization handles its affairs in the area of finances indicates it's integrity of all arenas.

Contributions / gifts/ offerings received from "our ALLIES" (friends) is a clear indication that the people who donate these gifts possess an excellent spirit, they also believe in the said similar way, and that we are involved with a caring and loving group of people. Furthermore all of our ALLIES are acting in direct obedience to the Spirit of God and The Holy Scriptures, and have given themselves over to a more powerful lifestyle of "giving liberally".

We understand that your gifts are both sacrificial and bountiful. It is our responsibility to demonstrate faithfulness

in our stewardship in both our money and life for the furtherance and promotion of the Gospel of Christ. Our accountability is to the Lord, who gives freely to the consumer and the investor and this is the obedient faith of “our Allies”. This then is “OUR STATEMENT OF FINANCIAL DECLARATION” that will stir the operation of our occupation.

All Allies must meet their local obligations and can tithe directly to us, as a ministry. We will continue in “THE INGATHERING OF MONEY, ALL NEGOTIABLE INSTRUMENTS AND GOODS” for the purpose of each individual projects of the ministry in Christ Kingdom (Paying the tenth part of all offerings to those that COVERS and are in covenant agreement with us.) But we will not engage in activities to raise more money than is needed for each individual project nor for unfounded situations. Any additional money raised above the budget’s need will be automatically put to use in projects of “EQUAL IMPOTANCE”. In fundraising we will conduct ourselves according to rudimentary tenants of the scriptures that govern fundraising and the financial charities act of the network.

We will maintain accurate up-to-date record of the giver and the gifts. We will avoid “borrowing”, unreasonable debts, conforming ourselves to the patient practice of pay-as-you-go. We will continue by the Spirit of Christ and fervent in spirit, faith and business knowing that Christ is The Author and Perfector of our Faith and Life.

This then is “OUR STATEMENT OF FINANCIAL DECLARATION”, and our commitment is to the Lord, our ALLIES and OURSELVES. It is our intention to maintain

financial integrity before all while in integrating Christi influence upon the society.

The Ministries of the Word, Acts Chapter 1-5

We will continue steadfastly in the apostles' doctrine and fellowship, and in breaking of bread, and in prayers. We will preach and teach to those who believed the doctrine of the Lord. We will fill our eyes, our life, our city Jerusalem and our land of Israel with the doctrine of the death, burial, resurrection and ascension of our Lord Jesus Christ. We will preach and teach the doctrine of the kingdom of God and the fear of the Lord will come upon every soul: and many wonders and signs will be done in His names. We will teach and preach repentance from sin and the witness of the resurrection of the Lord Jesus. That we will do everything to defend and protect the people of the Lord that they will be no more children, to be tossed back and forth, and carried about with every wind of doctrine, by the sleight of men, and cunning craftiness, who are lying in wait to deceive them. We will teach ours and charge them that they teach no other doctrine but that they abide in sound doctrine.

We believe all scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness. Therefore we will help the people of God to leave the principles of the doctrine of Christ and we will all go on unto perfection; so that we are not trying to lay again the foundation of repentance from dead works, and of faith toward God, Of the doctrine of baptisms, and of laying on of hands, and of resurrection of the dead, and of eternal judgment.

But we will defend the people of God against the doctrine of Balaam, who taught Balak to cast a stumbling block before the children of Israel, to eat things sacrificed unto idols, and to commit fornication. We will serve, protect and defend them against those who hold the doctrine of the

Nicolaitans, which thing our Lord hate. We will enable them against these doctrines, and to empower them which have not known the depths of Satan to know this through the word of God and to cause them to increase in knowledge to live victoriously against him. They had to overcome the accuser of the brethren. We will strengthen and empower the people of God to resist and overcome that woman Jezebel, which called herself a prophetess, who taught and seduce my servants to commit fornication, and to eat things sacrificed unto idols.

Our activity during this period is designed to show what it was like to have the kingdom of God present. We will cast out demons, evil spiritual forces that opposed whatever was good for humankind. The kingdom of God meant the overthrow of the kingdom of evil. Where ever we go, evil retreats.

Our teaching shall be a continuation of what Jesus began to teaching until the day he was taken up and the Holy Spirit was given to us, to preach to the outsiders, to "Repent and believe the gospel. The time is at hand and the kingdom of God is upon you." And to the followers, it is "follow the precepts of God as it was taught on the Sermon on the Mount" (Matt. 5-7). Most of all it is to love the Lord Your God with all our hearts, and to love your neighbors as ourselves. Foremost, we will proclaim that "Jesus Christ is Lord".

Overcomers' Attitude

When I am faced with a mountain, I will not quit
But I will keep on trying thriving and thriving
Until I thrive over it and if I can't thrive over it
I will find a path around it and if I can't find a path around it
I will find a path through it, if I can't find a path through it
I will tunnel underneath it and if I can't tunnel underneath it
I will turn it into a gold mine to the Glory of God

We as a people of God desire is to continue steadfastly in the apostles' doctrine. We will increase in fellowship one with another, and in breaking of bread, and in prayers. Our strength is based on our oneness of tongue, language and speech. We have seen the wonders, goodness and pleasantness when we as, brothers and sisters, one family, dwell together in unity! For we know that Jesus Christ is our peace, who has made both our religious family members and irreligious family members one, and he has broken down the middle wall of partition of ideas that between us and made us one family.

For this cause we will bow our knees unto the Father of our Lord Jesus Christ, Of whom the whole family in heaven and earth is named, so that Christ may dwell in our hearts by faith; that we, being rooted and established in love, may have power, together with the rest of the family of God, to grasp how wide and long and high and deep is the love of Christ, and to know the love of Christ, which passes knowledge, that ye might be filled with all the fullness of God.

We are always protecting our unity as the family of God, therefore we endeavor to keep the unity of the Spirit in

the bond of peace, until we all come in the unity of the faith, and of the knowledge of the Son of God, unto a perfect man, unto the measure of the stature of the fullness of Christ: And we will have no fellowship with the unfruitful works of darkness, but rather we will reprove and expose them. This union and unity in Christ is a great mystery: as we are intending on displaying that which concern Christ and the church, for we know that in Jesus Christ neither circumcision availed anything, or uncircumcision; ***but faith which worketh by love.***

TENETS OF FAITH

We believe the following

In the Sovereignty of God and the Preeminence of Christ (Isa 45:5, 48:16)

- In Him Dwells the Fullness of The Godhead Bodily. Colossians 1:18, 2:9.
- Jesus Christ is The Incarnate Son of The Living God, who is made both Lord and Christ.
- The Scripture of Truth is the Inspired Word of God, revealing god's will to Mankind. II Timothy 3:16
- In the personal Salvation of Man, by the abundance of His (God's) saving Grace. Ephesians 2:8.
- Water Baptism into the fullness of The Godhead as a Confirmation of conversion through identification with Christ's death, burial and resurrection; and it is the showing forth of a good conscience towards God. Matt. 28:19. I Peter 3:21
- Baptism of the Holy Ghost , In-Filling of the Holy Ghost, and The Upon Realm dwelling of the Holy Ghost and is given by God to the believing for

empowerment to service and the works of the Ministry. I Corinthians 11:24-34.

- The Just Shall Live By Faith. Romans 1:17.
- In the believer and the rights of the believer to fulfill their commitment to the terms of the covenant and to live the evidential lifestyle that depicts a CHRISTIAN. Mark 16:17-18
- In the seven fundamental doctrines of Christ and its Devine Principles. A necessary foundation to detect errors and fraud, Hebrews 6:1-2.
- The system of Tithing with the principal wisdom of the Law of Sowing and Reaping, and Giving and Receiving. Hebrews 7:1-16, Galatians 6:7-9
- The Original Commission, The Recommission and The Great Commission as rudimentary to the Mandate of Christ and His Kingdom. Matthew 28:19, Genesis 1:28.
- The Full Manifestation of Kingdom of God in its Strength and Power. Luke 11:2.
- The Magna Carte of The Church: Faith ***Worketh*** By Love. Galatians 5:6.

The Life & Mission of the Our Church

The main goal for this is to provide a brief description of the life and mission of our Church in East Orange. In the onset a number of events forced and forged us together, mainly the slaying of our leader, Jesus Christ of Nazareth. At first, it scattered many of our original people who either denied knowing, associating and having relationship with our leader. Another had previously hung himself for betraying innocent blood; others became desponded and were losing heart and yet others seek to return to their old jobs. After all it is written, “Smite the shepherd and scatter the sheep”, but

the power of the life in Jesus, the prayers her prayed for us and the spirit that he gave to us seem to direct a boldness in us that it spearheaded a drive to believe on what we were taught, then find our leader and continue in that spirit. Upon assuming that position and venturing to the grave and found it empty, we discovered that he is raised and his ascension embolden our mission.

Our language, our speech and our tongue was another factor that brought us together; many of us were not noble birth, our mindset and speech was different from many others, so we stood out like a sore thumb. The ongoing persecution of our faith also galvanized and grounded us, making us share our place of abode and the breaking of bread daily with prayer and communion became our custom. It also became the highlight of our society and a trade mark of our covenant richness.

As all of this pulls us together, replacing those who fell away became very important to us, so we replaced them with faithful new members and a new spirit of follow the leader emerged with the same power as our Lord. Invigorated by the Holy Spirit, we as a group became as one man and the Holy Spirit used Prophet Lattiboudeaire as our chief spokesman. As we moved as one man, the fear of the Lord invoked our structure setting up seniority amongst the apostles and elders. Then chief leaders from other groups began to convert to our faith at the expense of their reputation.

Our life and mission then became an ongoing effort to observe all that the Lord’s has commanded us as there has been a drastic shift in the authority structure of the entire leadership of the city. A great many of the people has definitely remove their loyalty away from the Pharisees and Sanhedrin leadership to the apostolic leadership of the Church. With the human needs of the people been met under

this new administration and the transitional shift in the popular doctrines, our doctrines filled the city, even though the old administration seems to continuously attack the infancy of the Church. Yet still the Lord was very faithful to us by pouring signs, miracles and wonders on us and the people by his Holy Ghost.

These irrefutable acts of God has galvanized us and increased the boldness amongst believers as the good news has spread amongst the Jews and converted thousands of Gentiles into the fold of Christ. The entire city is buzzing with the new phenomenon of the outpouring of the Holy Ghost and the baptism of the Holy Spirit, as men spoke in the tongues of other men and functioned in interpreting those tongues and speeches, the wonderful work of God.

We have made every effort to enable and empower the saints to tarry and wait upon the Holy Spirit; the Lord had commissioned us, “to wait for the Promise of the Father”. (Acts 2:1-13, 14-42). We attend daily scheduled Prayer, attending prayer and being involved in prayer at the hour of prayer at the temple (Acts 3:1). We engaged all the believers in daily prayer meetings (Acts 4:23; Acts 1:12-14) in the upper room and wherever we gather for prayer (Acts 2:46). We are engaged in daily house fellowship, prayer in the temple, and breaking bread from house to house. The result has been exasperating as with great power the apostles gave witness of the resurrection of the Lord Jesus and great grace was upon them all (Acts 4:20-31). We are daily engaged in teaching of the word (Acts 1:15, Acts 1:22), establishing the apostle’s doctrine and increasing the fellowship of the saints (Acts 2:42) and the fellowship of the believers (Acts 2:42).

With all of this activity, persecution and favor, there was a sweet pain in our birth and growth. Our lives though very peaceful was very busy as dwellers and foreigners

sought the Lord openly. Our administration demanded much from us and we gave it, because we knew this was God in the midst of us. In the end, the Lord built the church and added members to it daily by the Holy Spirit and the gates of hell could not prevail against it. Thus East Orange became the headquarters of the new nation under God.

In the end, this brochure follows precisely all the pattern of the Spirit of God in the Church and we have discovered that, *“The Biblical Pattern will produce the biblical power that will produce the biblical result”*.

Conclusion

Having worked on the preparation of this brochure of our Church in East Orange, we have continued to see the pattern of the fullness of the Godhead at work in the Church. In fact, like the creation of man going from concept, to planning and the end result of a living being. In like manner we observe the working of the Father to glorify His Son to the outpouring of the Spirit upon humanity to the birth of the Church, the earthly entity that Christ will work through to bring the kingdom of heaven into the earth, so that, “thy will be done on earth as it is in heaven” becomes a manifested reality.

But we have also encounter the hostility that exist amongst man against the will of God, we have seen how the Lord and his leadership deals with hostility while reducing its violence and we have encounter the complexity of managing mankind, while demonstrating care for all human needs. We have achieved this by truly staying true to the doctrine of the Lord. We have obtained the aid of the Spirit, affirmation of the angelic host, conversion of the unbelievers and preservation of the righteous by the power of the Lord. We have been able to sculpt a structured pattern for the formation of other congregations through the earth and hope that the people of mankind will adopt this exact pattern and apply it to plant churches through the earth.

SONSHIP & THE COMING OF AGE

Orlando, Florida

I Died, He Lived

One night while working on my will, my spirit was supercharged (Kaio) and the Lord summoned me to bed. Immediately I obeyed, not really knowing what would transpire. Lying on the bed, I was soon to discover I could not fall asleep. With eyes wide open, I attempted to close them and simply lay on the bed. Suddenly, my spirit within rocketed out of my body like the space shuttle. As the shaking started, my body could no longer restrain the activity, as both my spirit and soul left my body.

Hovering above the bed in the spirit and looking at my body laid on the bed different thoughts arose in my soul. Concerned about the people's opinion and my host's thoughts of me, "What would they think, if later they would find a dead guest in their house?"

I turned and uttered a divine statement in this form,

"I do not know what my host will say when they come and find me dead, but I know that to be absent from the body is to be present with the Lord."

Having resolved that concern, I found my being swiftly moving upwards into the heavenly paradise. Then suddenly, I came into contact with another one of my thoughts that seems to define realms and segmentation of thoughts, which are really dimensions and placements in the spirit. Thoughts are very powerful in those realms, and I am coming into contact with my anxieties and worries. In this realm another of my thoughts is manifested, it went like this,

"If I am dead and gone, who will care for my family?"

At this point, the Lord steps into my world and said,

"They will be okay!"

Alarmed by this quick resolution of thought again, I found myself in another compartment of the heavenlies. Then I came into contact with another of my worldly thoughts. This time my thought went something like this,

“Now, I’ll get to see Jesus, whether He is truly black or white. I will see all of my relatives and the faithful forefathers with the heavenly arrangement of angels.”

This statement was an anxious and spiritual concern, and full of racism and politics. Looking over the balcony of time, I saw the arrangement of myriads of angels below me, ready to serve us but the Lord answered me nothing on the issue of race but simply beckon me to come. This seems to resolve those thoughts. Swiftly passing on I found myself approaching a light, then I perceived our Lord Jesus. Approaching this light, I became undone and cried out,

“Oh! But I am not ready (prepared or properly attired) to come into your presence.”

When suddenly my hands went up and out of my mouth came the worshipful Psalms,

“Enter into His gates with thanksgiving and into his court with praise, be thankful unto him and bless his name for the Lord is good.”

The spirit of worship suddenly rushed out of my heart as I lost consciousness of my needs. I was in the King’s presence and his righteousness adorns and covers me with His light. As I entered His presence, duty and responsibility entered my mind and I said,

“Oh Lord! But I am not ready to come as yet!”

And He turned to me and said “Why not?” Then I replied,

“You’ve called me to build an economic highway for your people and I am not finished.”

Then the Lord responded to me,

“Okay, you may return, only remember this; I have called you to an inheritance with the saints in light.”

As this spontaneous resolution of authoritative responsibility to God and the people of God came upon me, the Lord crowned me with the rewards of “He who serves will rule.”

Age 39 ...Inheritance

The Inheritance

“Okay, you may return, only remember this; I have called you to an inheritance with the saints in light.” All I want is “Give me my Mountain...Caleb” ...Cleveland, Ohio.

On January 07, 2001 Satan wanted to kill us as we spoke about “The Kingdom of Peel & York”. Now he wants to render us obsolete and irrelevant by means of exile. But I know that we know and understand the

“Secrets of the Knowledge of the Kingdom of God”

“The Secret Kingdom”

No Sell-Out

As you know due to the lack of acknowledged, supportive or supervisory spiritual covering, I have experienced the spirit of nakedness. Not only is this feeling real to me but also without natural dwelling place it is magnified/amplified the more. The fact is being trained by ‘the best’ requires that I stay above the rest. I have been attempted to be recruited by “The Black Scots” for £30 Million per year and I rejected their offer. Then I was offered one hundred (100) times £30 Million pounds in Lira by the

Azores of Italy but I rejected the offer and elected to wait on you.

Now, I wandered for all my preparedness, why haven't I gotten anymore moral or social support from you? Since, daily I stand to defend that which pertains to you. Of recent I thought to myself, my value has increased and security maybe increasing, since I alone had to deal with INS, family and myself while you withdraw yourself as if I did you wrong.

The Inheritance: Two Canadian Loonies
Early Entrance into the MarketPlace

Then I ran into an author who had produced many books in the marketplace. He was prosperous in the marketplace but became dangerous to those who did not think he should be prosperous. Then I found myself confronting corporate theft amongst Church Elders an example of such an elder was found in Oxon Hill, Maryland. They were offended but I managed to quell their fears, especially man who purported to copy concert tickets and then generously produced their own tickets for gain. I accused them of dishonesty. Then when we exited the building, the Apostle decides to give me my inheritance, having read it in the Bible, so he gave me "two Canadian Loonies".

Age 40...Death, Toronto, Canada, Feb. 2002

The Plot: Witchcraft

"Oh! Foolish Galatians, who has bewitched you, that you should not obey the truth". Louella Peterson had planned to move without me. This was to be under the guise of "let's

see what he will do...as if without us". This was a surprise assault on my mind and confidence.

- Doctrine of Confusion- "You did run well, who did hinder [side swiped] you?"
 - Doctrine of Inclusion- Democratic Policy of Clinton's Administration
 - Doctrine of Exclusion-Republican Policy of Bush's Administration
- Abandonment

After a lengthy time the Apostle had intended on leaving me in Toronto, as collaboration with his wife was a plan of abandonment and for ridicule by those who do not understand. The Lord spoke to me and said, "It is envy why you have been attacked".

Year 2003 "The Year of Cultivation of the Market"-
Chinese

Then I the vision called the vision of the tea house. There were two people who owed this beautiful teahouse in Canada (a Young Indian Man and a Chinese Woman); somehow a division developed amongst them as they fought over controlled. As they struggled, I noticed the Division in the Tea Business and these parties decided to go their separate ways for the issue was an issue of subservience as in the Case of Jerusalem and Arabia and Upper and Lower Canada.

I was dressed in prophetic robes; I was full of the anointing till it was running over. I was disciplining many young and handsome Chinese men. The anointing was transferring to their lives, and they began to prophesy with

me as I bring the prophetic word to Prime Minister Jean Chretien about the provinces, territories, regions and counties. Young Chinese men joined me in the prophetic word to upper/lower Canada.

Messenger to Israel

The prophecy is received. I am asking the prophets of the Church; in the Church and to the Church to be "Heavenly Jerusalem centered", not earthly Jerusalem-centered, as the Jerusalem now is in bondage with her Children.

For the problem with Jerusalem and Arabia [including Palestine] is a matter of jurisdiction and subservience. In this matter, the Apostle states, "For this Agar is mount Sinai in Arabia and she answers to Jerusalem, which now is, and is in bondage with her children [Gal. 4:24-26]. Why? Whoredom, here is an example of the result of whoredom [Rev.2:21-23]. The fact that Islam does not want to answer to Judaism is in itself a vast conflict. The fact that Medina and Mecca do not want to be answerable to Judaism and Jerusalem will lead to more blood.

It is also important for our prophets to see these vicious cycles of bloodletting on both side as displeasing to God, for while Islam, Arabia and Palestine sees this as a Holy War using Jihad; Jerusalem and Jewry also sees it as a Holy War and a war of Cleansing.

We, the Church must be saddening at the death of Christians: Christian Jews, Christian Arabs and Christian Palestinians, including visitors in this midst of this devil-infested warfare. We must plead before heaven in intercession and supplication for the consolation of the nations. For from where do these war and strife comes from among them, it comes from "The evil desire that is in the unregenerate man, a desire to have and they do not have".

The only solution is the acceptance of Christ our redeemer as their Savior, whom they have so far rejected.

Finally, my brothers, before these incursions and suicidal bombings, the Lord visited me in a proper time fitting to him and showed me, Prime Minister Ariel Sharon. As I watched Prime Minister Sharon was walking out into a sea, as he walked, the further he went, the more the water arose against his person. But he did not see nor know that there was a problem or looming danger, there was a sudden drop off in the sea shelf [like a continental shift].

Brethren, there is a continental shift in world or global opinions of the Palestinians and Israel's present dealing with them. In fact, Arafat is not being called Chairman in the popular news media but President [both among the Americans, Europeans and others- so we must be aware of their shift].

As he (Prime Minister Sharon) continued in his ways then he simply fell off the shelf and went down under the water and I saw no more of him. His protégé, the noble statesman [Simon Peres], was walking more cautiously behind him and had he did not step off the shelf. At this point he became the leader of Israel.

Brethren, there is something unseemingly concerning this warfare and though well planned and for the cleansing of the city of Jerusalem and the bringing up subjection of radicals, there is a major flaw. The battles between these warlords-master butcher has filthy the land, they may be well advised from 'a divine intelligence' but if that commander is not the General of Heaven, something is/will go wrong and the son of peace will have to govern Israel.

In the same breath, again, I was before the Lord, when I heard the boasting of Satan and he said, "I am the one that attacked the Palestinian Children in their mind". Brethren 'he gave them war fever' and all the agents of death that work with his prideful counsel are contributors to this fever. To which I understood brethren, that these suicide bombings are not the plan of the simple human mind. It is a plan of the Mastermind, age-old devils and demons. The insanity of Islam, the council of Iran and Baghdad, and the principle of Satan are at work. To attack a people in their mind is to both robbing them of a sense of purpose and dignity, and self-worth. It is also to impoverish them and use them as agents of death. Whether then, now or later, the Lord of All will command peace.

Brethren let us have the full council of heaven in the light of the New Testament scriptures and let us pray for the full conversion of Jerusalem, Israel, Palestine, Arabia, North Africa etc., from the council of devils to the faith of the living God.

Messenger to Birmingham, Alabama

Thus the Lord showed me you beginning to live The Prophetic Life. I was sent to you in the spirit of Elijah. Arriving, I arrived unannounced and dressed not in the finest of apparel but carrying the spirit of reformation.

As I had arrived, you were beginning to build, now the place you began to build was already built but it had expired and your assignment was to beginning to rebuild, literally reconstruction. As we were there, I was involved in securing the products you needed to paint the building into a safe area against lost and theft. For I am sent to you with the word of the Lord, "You're now beginning to build a new".

Next thing, I knew I am passing through old Birmingham. Then I found myself at the place where God

had put you to develop and grow. A massive activity was taking place, which involved theatre production. As I watched your bed was brought from home on a truck demonstrating how you are moving. The mattress was unloaded the mattress off the truck onto a stage. At which time I approached you and said, "You're starting to live The Prophetic Life".

As you placed the bed on the stage, it appeared to be foam like and almost as a resting cot. There were many people in the arena and the spotlight was on you. As you began to live your life on the stage, a sort understanding of 'purpose and destiny' set in as an audience stood with you.

This scenery of my delivery seemed to change often. For this vision seemed to take place in the morning. The delivery of my message seemed to be in the early morning to you away from the entire crowd. And you waited on as one sent to you, as one waiting to hear what heaven said. There was a sense of uncertainty in you as to whether you pleased or was pleasing to the Lord. I was indeed your spokesman and intercessor before the Lord and you waited to see if what you offered before God was acceptable. The unique thing is, I was scheduled to minister at "More Than Conqueror Family Church" on the Sunday morning and then to minister for you on the Sunday evening. Again the look on your face was 'you waited for me, as the leaders of Israel waited for Samuel'.

There was some darkness on your face, a perplexity between a reward of good (acceptance) and disapproval. As I came on the Sunday evening to deliver the message, "There was great acceptance" and a sound of praise went up to the Lord. So I continued in the prophecy to Steven Green and in the document "The things left undone, that heaven requires done".

Toronto, Ontario: April 2002,
Caleb International Ministries

The crucifixion of Jesus Christ was by the spirit of envy. The word of the Lord to me, “Tough times do not last but tough people do” & “I want you to know that a hidden ministry is a dishonest ministry” Therefore, I want you to call the ministry, “Caleb Ministries”.

2002-2003 YEAR OF CULTIVATION

I was with Apostle Peterson at the Cathedral of the Holy Ghost in Atlanta, Georgia under the leadership of Bishop Earl Paulk and Kirby Clements. We had found favor and Apostle ministered at the Cathedral. After the service, Apostle Peterson spent most of the time watching me, as I moved through the crowd and I was promoting my ideas (Book) among the people. He almost forensically followed me, investigating my every step. The people were predominantly blacks (African-American). This seemed watching was caused by internal struggle; while it was continuous this suspicion needed not to be as I needed to use the bathroom and was passing through the people. Ironically, I could not find a clean washroom or get the co-operation of the cleaners.

The Patent Desk & Trademark

External exit of the building I came into contact with Valerie Holcomb, who was handling my patents, this is a young black woman. She was handling the wrong patent, as I have authorized her patent something but she ended up patenting a fish sandwich. Therefore, I corrected her. She was then

cutting her hair; she was a facially beautiful young lady, friendly, affectionate. Then I noticed Apostle Peterson on a journey behind me, as he approaches, he was happy for me that I had a relationship with her. However, as the girl got up from her seat at the street side, I noticed that her body was wrapped in development and as they (Apostle Peterson and her walked together) walked away her sexuality (mentally) was wrapped in development (I saw under her skirt, she was wearing a child’s panty and her vagina was swollen). I knew she was not the one for me. Even though there was co-operation from her, she was not properly developed on any front. – Obeying instructions (mentally), bodily and sexually.

Then I found myself in a car (vision) with Apostle Peterson and a driver (Black man) as our chauffeur of the car from the same Church. The driver and other passengers was acting fearfully and frightened as we were being followed by police, the driver of our car was afraid, for he had no driver’s license. So I reached into my wallet to cover for him and gave him my old driver’s license from Alabama but was never pulled over by the police. Then we entered into the Black Community, we were in a marketplace-African in nature, it was organized according to their style but very disorganized, the men were greedy, forceful and violent almost callously insensitive. Many were homeless and poverty abound [No communion], they grab their own food without consideration for others- [1 Corinthians 12]

appearance of Abraham
Operation Plunder

Peterson and I got into a furious fight; this time is his lack of care for things pertaining to me. I had left off matter that I needed to deal with and had against him to cover them. He fails to do so and left me exposed. Apostle Peterson decided to launch television program. He started off with a dance troop from Fort Valley, Georgia. He began to use a lot of my people. This he did it when I went to visit my ex-wife and children. The action led to a massive fight between him and me. He determined to launch this way to submerge me because he claims, "I had outrun him". The fight was a result of his insensitivity to do it when I was vulnerable, it was done purely to undermined and co-op my congregation of supporters. It led to massive arguments and the edge of a provocative fight. The argument was very intense, he further sort to supplant on the basis that I had gather my flock for money and I had proved that I was not in it for the money but rather 'for the souls'.

The battle was carnal and intense because the aim was to use a 'moment' not a momentum to 'sideswipe', 'trespass' or 'transgress against me'. Again, I argued from Paul's Galatians 3 "I wish they were cut off who trouble you". I avow my allegiance and loyalty to the cause and not a man. However, I illustrate that 'though I had the power to trample upon him', I did not and he ought to be considerate of me and practice 'balance inclusion' rather than to take it upon himself 'to advance against me while I was away'. "My love was more powerful than knowledge', the question is which is more powerful "Love or knowledge"?

The Counter Offensive

This time he had done worst rather than encouraging or using his wife to exact information, he took it upon himself to aggress against me. Two forms of oppression, the only way to counteract this is to "Launch Operation

Earthworm". Earthworm is to call my partners by the telephone thus let them be aware of my presence and need of help. Assert this by using the mailing list to communicate with them and make an offer of my new book "Jubilante: The Joys of Intercession".

Prophet's Biography

Michael-Liberte O. Lattiboudeaire studied Arts & Science, Mechanical Engineering, Securities Trading and Business Administration at the University Of Toronto and other institutes. During his study he had a 'genuine spiritual awakening with the Lord Jesus Christ'. He has developed a sincere personal relationship with Jesus Christ. This experience transformed him into a passionate minister of God's grace with a genuine love for people.

For twenty-three (23) years, he has served under the leadership of Apostle Carlisle John Peterson. He is a faithful member of Nation within a Nation Church Int'l Inc. He is the founder and President of The Great House Ministries Int'l Inc. and currently operates The Great House Publishing, Inc. He has traveled extensively as a Missionary, Itinerate and Conference Speaker throughout the world. This father of four currently lives and resides in Miramar, Florida.

I was born a prophet of the Lord. By the age eight (8) this was very vivid and recognizable amongst my entire family, relatives and friends. At eight (8) years old, I had given my life to Christ and was actively assisting my grandfather who was a pastor of four (4) Baptist congregations. At eighteen

(18) years old, a year before I had entered University, once again I rededicated my life to Christ while actively seeking the baptism of the Holy Ghost with the evidence of speaking in tongues. Throughout those days, I actively function in elements of the prophetic life without academic training. By 1984, I began to actively live and function for Christ, having been baptized in the Holy Spirit in the summer of that same year. My life has been fully immersed in the life of a prophet, being brought up by the Lord and the watchful eyes of those who oversaw my life.

Gift & Training

As an active prophet, I am called *a dreamer of dreams* and *a seer of visions*. This nature of God is a mark of the last day revival of God as it is written in Joel and Acts concerning the outpouring of the Spirit of God. I am like many of those who are called by God to the office of the Apostles and Prophets who have come into dreams, visions and revelations of the Lord. Of which we cannot boast ourselves but rather as we have elected to the glory of God, we boast ourselves in our infirmities, so that Christ maybe reveal through us. For His strength is made perfect in us.

As a specialist in the area, I have spent many years training and leading many people into the arena of learning to hearing from the Lord as he has speaks through these abundant means. As a specialist in this area of the prophetic administration, a new reform has emerging within the body of Christ and the service demanded for this entire arena has been severely increased. The demand has placed my qualifications on high demand both in the areas of private and public administrations.

Training and Experience

I have spent twenty (20) years of my life in the Church world as a primary elder and Associate Pastor of Love & Faith World Outreach Ministries, Inc. After my tenure at Love & Faith World Outreach Ministries, Int'l Inc., I had spent five (5) years developing missionary programs and international churches. In the year 1986, I was then make one of the primary Prophet, Associate Pastor and ruling elder at Nation Within Church Int'l, Inc., with an elder-at-large status with a continuous itinerate schedule throughout North America and the Caribbean I have spent a major of my time as a specialist teaching and training many people in the areas of intercession, intercessory prayers, the prophetic ministry and many other areas.

I was also schooled in "The School of the Apostles" and "Morris Cerullo School of Evangelism". I was later appointed as an instructor and adjunct professor at the School of Apostles specializing on Ethics, Protocols and Practicum. It is my desire to continue my study for my doctorate in theology and general medicine. I currently have plans to obtain a Master's in Business Administration and Accounting and Finance with a special in Corporate Finance at Trinity University, in Miami, Florida.

After thirty-two (32) in the School of Christ, under the tutelage of transitional authority of my grandfather (parents) to the stewardship of my Pastor and thirty-four (34) years of academic training in the areas of Engineering, Administration, Accounting & Finance and twelve (12) years of intense missionary activities on three (3) continents and many Islands of the seas. I have acquire both the international

experience and forte that it takes to write this and multitudes of other works.

In 1991, urged on by the Spirit of God, the Royal House of the Kingdom of Swaziland, at the support of UCCM (Upper Canada Confederation of Ministers and Ministries) and COG (The Conference of Generals), I was asked to co-author my first work with Carlisle Sonstar Peterson and Gary Mwentin-Hibbert. It is here that I obtained my expertise in the field of print media. In 1996, I again worked closely with Minerva Allen to print and produce her work “The Effectual Fervent Prayer” and then in 2000, I worked closely with Karrie Bryant and foreword her work, “From Hard to Heart”.

Since then I have intensely concentrated on my writings having written such manuscript as The Prophetic Life: Powerful Truths for Powerful Leadership, The Prophetic Life Workbook, Jubilante: The Joys of Intercession, The MarketPlace Anointing and The Power of Prophetic Vision, Successful Women Vol. 1 & Vol. 2 etc.,

CHRONOLOGICAL EXPERIENCE

In 2001-2004 I had begun to study Business Administration at Seneca College for 2 year and was very successful. I am on the Dean’s List, won the Presidential Award two-years in a row and won an award of computers and computer related-products from CSW. In 1998-1999, returning to Canada from the mission field, I studied at Canadore College, Canadian Securities Institute and obtained my Certificate of Independent Financial Advisor (CSI), becoming an independent financial advisor. In 1986, before I was called into the foreign mission, I studied Mechanical Engineering specializing in Road and Bridge Construction Technology at Ryerson University. In the 1983-1985, having completed

high school(Grade 13), I attended the University Of Toronto, in their Arts & Science Program (3 yr. Degree), before I began to specialized in any major program, at that time, infinite Calculus and Computer Science were my favorite subjects.

Like the subject of my study, I like school because it contains the spirit of fresh thinkers, innovators and entrepreneurs who work together with a collective competitive energy along with their thirst for knowledge. As I have grown, I have realized that school is the womb and lap of research and development. Many things that we enjoy today are the results of research and development combined with great funding on school campuses. This maternal feeling of advancement encourages the wealthy feeling of youth in my life and keeps me well informed. Overall, school gives me this feeling of versatility and invincibility in an academic sense; I firmly believe that I must fight for my education, that a degree will increase my earning power and that it will help to empower me to provide contemporary solutions for contemporary problems in our world.

Well, I have found consistence to be challenging. Often times my schooling is interrupted by one or the other item, either time available, distraction, work or injuries. This challenge tells me that I must continue the fight and the drive to obtain my degree in the field of study.

Recently, I worked as a Peer-to-Peer counselor and mentor, supporting staff and educational facilitator; as a specialist in Crisis-Prevention and outpatient program development also in the field of Mental Health and Psychiatric Caregiver. Earlier, I was a Mentor of Children, giving aid and helping to

take kids to special events, artistic performances and entertainment. I am the Founder of a publishing company; managing a staff of seven (7) to twelve (12) employees. As a Publisher, I was first a national Sales Manager/Market Development manager. We increased our sales and doubled sales per representative, suggested new products to buyers that increased earnings by projected 150% and Implemented training course for new recruits — speeding profitability. I also worked as a Program Developer, as an International Missionary, Itinerate & Conference Speaker, Program Manager/Coordinate of trips and planning. I was also employed as a Chief Operations Officer (COO) of external and foreign affairs including Consular Officer securing travel documents, planning and executing outreach programs.

Throughout my lifetime, my work has been deeply committed to helping people. All of my resources, time and strength have been deeply invested into human development. Through this, I have been exposed to a plethora of diplomatic agencies. I have lived a very high life while serving in many obscure places. Through diversity training, self-development and international exposure, I have earned respect and the satisfaction of helping others grow and develop while enjoying my jobs like a missionary on the beach in Barbados.

At this time, I want to obtain multiple degrees before I began an intensive tour to the foreign mission field again, this time want to be fully- equipped to develop people and resources with NGOs. It is my desire to have a doctorate degree in theology, family and marriage counseling. I want to obtain a degree in Business Management and Corporate Finance specializing in Corporate Finance with interest in the underwriting of IPOs.

In my spare time, I like to run, fish, hunt, mountain climb, sleep, travel, write, engage in professional speaking club like “Toastmasters”, practice my dancing steps and working with computers. The kinds of book that I love to read are faith-motivational and inspiration materials specifically in the area of biography. I simply enjoyed reading writings like Katherine Khulmann’s “Daughter of Destiny” and the biography of Sadhu Sandbar Singh.

I have travelled extensively into sub-Saharan Africa, the Caribbean regions mainly in the Caricom Markets Communities including South America, Western Europe, throughout Canada and the United States as a field and foreign missionary. Throughout these engagements I have been involved in International Trade through NAFTA, border trade specializing in paper products and print media with local missions offices.

I am obtaining this degree to obtain a position in a reputable Financial Services Company as a Financial Advisor. I want to direct all my efforts and energy with a full-fledged degree to serve the interest of a reliable, profit-oriented and socially responsible firm. I want to satisfy the needs of its current and/or proposed customers for a well-paid job. I want to further use my skills and degree to help develop New Markets and economies in the underdeveloped economies of the world.

The first school that I attended in US is GCU. I am fiercely loyal and based on my commitment to my education, GCU has helped me to get started and continue my drive to finish this leg of my pursuit. I am currently study to obtain a Master’s in Business Management and Accounting with a

special in Corporate Finance at Grand Canyon University, Phoenix, Arizona.

However in obtaining this degree will only help define, refine, and achieve my goals professionally, personally, and spiritually as I continue my pursuit with a Christ-centered motivation. Yet over the while, I have been developing people but the truth is I have been developing self. These disciplines have caused me to understand the power of the kingdom of the soul. And it is my desire to so put my soul of the auction block of sacrifice for Christ sake to discover the power that changes our world and heal it from the mortality imposed on it by sin. I have spent a major of my time as a specialist in training individuals in the areas of intercessory services and advocacy, administrations and governments. I am an appointed instructor and adjunct professor at a Private School instructing on Ethics, Protocols and Practicum. That will always continue but now I must turn the page of life to transform my potential into resourceful reality.
